Clue – It's not French.

English Sovereignty

Mr F used to say his ancestors came from the South of France and were Huguenots, powerful opponents of the Vatican, formerly the Cathars. More recently he has been talking of his ancestors being German, and doesn't mention the Huguenots any more.

He could be both.

The South of France might give a clue as to the origins of his name. The French say they don't have the name Farage and disclaim him. They do however have a name which is common in the Cathar/Huguenot areas near Arles – Yaraech, which is a colloquial of the Hebrew word for Moon. The town of Lunel meaning Moon in French lies near the City of Orange (near Arles) which is where The Orange Order was founded two thousand years ago.

He could well have an anglicised Hebrew name meaning Moon in Hebrew.

Mary Magdalene was said in some histories to have travelled to Arles after the Jewish Revolt in Judaea in AD70. She was a Jew as was her husband. She was associated with the moon, interestingly. It is even possible that the surname Yaraech denotes her lineage.

Farage would, if so, be the natural enemy of Rome, possibly Orange Order, and no friend of the English people, who are Goyim to elitist Jews. This could explain why he never shares leadership with people like Rupert Lowe, solid English stock, or Habib. These two haven't 'got it' and still promote the UK and the Union Flag which is the emblem of a Zionist State. (Heritage Party another duped organisation). They should join the dots, join the Teds and join up behind The St George Cross. Fight the Zionists as English Crusaders allied to other religions – including Christian, Moslem and Judaeist. The only ones not welcome are the Satanists, and other criminals.

For more on the name Yaraech, and Lunel check out Primo Levi's 'The Periodic Table'.

In the Euro Parliament the speaker always called him up to speak using the name Yaraech.
